March 10, 2022

To whom it may concern,

My name is Sawley Wilde and I am the Public Works Director for the City of Gillette. I have been working with Tom Johnson in his preparation for the teepee project for the 150th Anniversary of Yellowstone National Park. Tom has graciously requested that the teepees be erected on 4J Avenue in Gillette for the month of June for the kickoff of the children's reading program at the library, prior to the Yellowstone Celebration. Tom has also been working with the Cam-Plex staff, Camporee, and other community stakeholders towards this project. We at the City are excited for this opportunity and have given permission for the teepees to be erected on 4J near the library for the month of June in the City Right of Way. Please feel free to contact me if you have any questions or would like additional information.

Respectfully,

Sawley Wilde
