FY22 Funding Applications

Jim reported the CARE Board application has been submitted and the presentation will be next Monday or Tuesday night. He also reported that the City 1% letter has been submitted and Councilman Montgomery said decisions will be made in mid April and as long as no extra funds are requested then a presentation is not required.

RFP Process

Jim emailed out a list of providers that is in need of being updated and asked the board to look it over and send corrections. Char Edwards will be looking at the RFP Packet itself and the timeline will be similar to that of 2018. The goal is to have the packet available by April 1st, 2021 and ask for it to be returned completed by May 1st, 2021. Then the small review group will meet and the board will vote at the May 18th, board meeting. Once it is presented and approved by the commissioners, the contracts will be sent out.

The next meeting is March 16th, 2021.
