D. Collections and Exhibits

I. Collections/Exhibits Department Update

Board reviewed submitted report. Board inquired about what the "archives project," was for the incoming RMA intern, Kayci Kruhmin who will be working in collections over the summer. Director Henning made it clear he would find more information to share with the Board on this matter.

Board suggested Elder Williams could use more training to better expand his job duties and assist in overall museum work.

II. Collections Report

Board discussed the incoming items with Director Henning. Nothing particularly interesting of note.

A motion was made by Lucas Fralick to approve the staff recommendations regarding the donations; seconded by Tami Bishop. Motion passed 3 votes to 1.

III. Deaccessions

Board felt that more research was needed before deciding on the scintillators. A motion was made by Lucas Fralick to table the deaccessions for next meeting until more research can be done on one of the scintillators. Seconded by John Daly. Passed.

E. Museum Program Updates

I. Visitation Report

April visitation was 100% better than last year!! Numbers will be coming in from the Children’s Festival.
II. Youth Education Report from Penny Schroder

Board enjoyed reading the youth education report. Some virtual Pioneer School teaching was done by volunteer, Kathy Kintz. Kathy also taught in-person Pioneer School to John Paul II students. The Board greatly appreciates her efforts. Penny sent out quite a few materials by request to area school to support their teaching of Campbell County’s pioneer schools. Staff members, Penny and Stephan will be promoting the museum at the upcoming Summer Kick Off Reading Program at Campbell County Public Library. The Board appreciates their efforts at promotion and raising awareness of our museum by providing hands-on learning activities. Penny is being trained on the Fixed Assets program and will be Director Henning’s back up. The Board is happy to see staff sharing in the museum operations such as this example. Thank you, Penny.

III. Adult and Outreach Report from Stephan Zacharias

Board supports the work of Adult outreach being done by Stephan. A written report was submitted by Stephan and the Board realizes and values the positive visibility Stephan’s outreach and relationship building throughout the region and beyond is producing for our museum. Board looks forward to hearing more about the community meetings for the ‘Vietnam Wall’ programming that Stephan is attending.

IV. Other Events

On July 13th, Jerry Enzler, Retired Director of the National Mississippi River Museum in Dubuque, Iowa, will be a guest at the museum discussing his book, Jim Bridger – Trailblazer of the West. Rita Cossitt-Mueller suggested that while Mr. Enzler is here, possibly a workshop might be scheduled for interested staff, Board member, and museum stakeholders.

John Daly suggested that The Rockpile Museum send a gift in honor of the opening of The Crook County Museum at ‘Old Stony’. Maybe an historic photo of when Campbell County was part of Crook County was an idea favored by the Board.

F. Old Business - None

G. New Business

I. Museum Crosswalk Grant Award

Board is excited to see this finally happen and come together, a few snags, but still going forward. County Staff noticed a discrepancy in the amount of the grant that needed correcting, so that is the most recent holdup.

II. Brief Updates from Director Henning

POS is in place soon and trainings will be conducted as necessary. Looking for a trailer for building a mobile homestead shack exhibit on it. The Board sees expanding programing opportunities coming out of this project. Devon, True Oil, Northern Production were companies suggested for donations of projects like this one. Rita Cossitt-Mueller suggested building the homestead shack on a skid for easy mobility. Director Henning will co-host the Administrative Caucus with Darren Edmonds on June 1st. Robert is also working with the planning committee on hosting the Pathfinder Camporee to be held at Cam-Plex in August 2024. Robert noted a donation of materials from Associated Glass in the amount of $423.45. Staff took a True Colors training through Human Resources.

III. Ideas for the Future of the Museum – John Daly

John Daly discussed at length the need for an updated mission statement. He believes the focus should be more on event centric as opposed to the present geo-centric. It needs to be events centric. (Agricultural, Western Expansion, Oil & Gas Discovery, etc.)

*Native plants displayed and labeled outside the museum
*Accession/Deaccession- most important job of Board member. Staff needs to be more informed in regional history pertaining to this, IE: the method of information needed before making a recommendation. Maybe ‘advertising’ for artifacts
needed ~ a shopping list. Financing and advertising for artifacts is suggested.
Exhibit specific shopping lists. Marketing/advertising used to fund exhibits.
* Better partnerships forged with community college and high schools. As a
community, we are lacking in history emphasis and sees these partnerships a
good step in addressing this deficit. Offer/support clubs, competitions, classes.
* Create a ‘step’ plan for a future museum ~ site, building, exhibits. Convince
county commissioners of the value of a new museum.
* Work with people in the profession of a featured exhibit. Use their expertise.
* Form an advisory board to act as a consultant for staff
* Bring artifacts under the auspices of the museum. IE: big equipment currently
sitting out at Cam-Plex
* Assign board members to the Event's Calendar to represent the museum
