Dear Season Pass Holder,

Dan, Cameron, Mike, and I are looking forward to the upcoming 2022 golf season at Bell Nob. We are all hoping for nice spring weather to start the golf season. We are looking forward to a restriction free season and being able to enjoy the course.

Hi there!! We will have a couple changes around the golf shop. It does not look like Tyler will be back for the summer. He is still short a couple classes he knew about but did not realize they were "in person" classes. I am currently trying to find a replacement. We are bringing back rangers/marshals this year. Rich will be moving from the golf shop and helping me take care of the outside staff. If you have any interest in being a marshal, please get ahold of me. We will not have a multivendor demo day event in June. All our vendors are picking their own individual days to come. I will have signage at the clubhouse and send emails out to everyone once I have those dates. I can't wait for the Spring to get here, and we are golfing again. Hope to see you all soon!!!

Single and family memberships, daily green fees as well as car fees will stay the same this year as they were for the 2021 season. Single memberships will be \$575 and family memberships are \$850. Day car fees for 9 holes are \$15, 18-hole car fees will be \$20, and the season car pass is \$640. Daily green fees for 9 is \$30.00 and 18 holes is \$40.

Online reservations for Tee Times are available for the golfing public. To access the system, a username and password are needed. It is OK to use your current username and password from last season or if you do not have one, please contact Darla Cotton by e-mail at [darla.cotton@campbellcountywy.gov](mailto:darla.cotton@campbellcountywy.gov) and she will assign you the required information. Tee times can be made for 1 - 4 players.

If you have any questions regarding the Bell Nob Golf Course, please give any one of us a call. We look forward to seeing you on the course this golf season.
