RE: Consent to Subdivide Requirements / WY-Stat 18-5-306

To Whom it May Concern:

Any subdivider or his/her agent must provide verification that all landowners and/or lien holders of the property being subdivided have agreed (consented) to subdivide the land.

The purpose for providing verification that the lien holder(s) have agreed to the subdivision is to assure potential buyers of the subdivided land that, upon purchase, the deed can/will be delivered free of any restrictions or reservations except as may be noted.

A copy of the document from the lien holder(s) consenting to the subdivision of land will be recorded along with the subdivision documents.

If you have any questions or concerns, please do not hesitate to contact us at 307-682-1970.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerril G. (Sam) Proffer". The signature is fluid and cursive.
