S-A BUDGET MESSAGE W.S. 16-4-104(d)

The District manages the water system. The District has 3 water wells and budgets to replace those wells as well as make other major repairs on the water systems if needed in the future by deposits to reserves. Rates are anticipated to stay the same this fiscal year. The budget the last fiscal year included the installation of a generator for the water system, but that was not done. The generator will remain in next year's budget. Since the generator was not done, a transfer to reserves of \$37,945 was approved 3/9/21. This is the amount normally transferred to reserves.
